A CALL FOR APPLICATIONS

**FOR ENROLMENT IN PhD PROGRAMME BIOMEDICINE AND HEALTH SCIENCES
LEADING TO THE ACADEMIC TITLE OF PhD
in the academic year 2023/2024**

PhD PROGRAMME “BIOMEDICINE AND HEALTH SCIENCES”

Application to the first year of the PhD programme taught in English with the start of classes determined subsequently. Up to a maximum of 10 students are admitted, minimum 3 students.

The following are ELIGIBLE TO APPLY FOR **THE FIRST YEAR OF STUDY TAUGHT IN ENGLISH**:

- candidates who are foreign nationals in the Republic of Croatia;
- candidates who have graduated from a medical school or other faculty dealing with the scientific field of biomedicine and health sciences or a related field;
- candidates with a grade point average in undergraduate study of at least 3.51 (in the 1-5 grading system) or at least 8.00 (on the 5-10 or A-F scale);
- candidates who have conducted the academic recognition of a foreign degree of higher education, i.e. the recognition of study duration at the University of Zagreb.

Documents needed for the application:

1. Verified copy of diploma (with the supplement, if issued), and verified translation in English,
2. Verified transcript of records, and verified translation in English,
3. Application forms (see below),
4. Letter of recommendation by a potential mentor (see below),
5. Research topic proposal (see below),
6. Statement on the model of studying (see below),
7. Curriculum vitae (Europass form, below) with the photo,
8. Copy of passport,
9. English language certificate.

All documents should be submitted in English (or Croatian) as originals, or copies and translations certified by the University or legally appointed English translator, or legally appointed notary. Candidates have to go through a procedure of **the academic recognition** of a foreign degree of higher education at the University of Zagreb. More info at: <http://www.unizg.hr/homepage/study-at-the-university-of-zagreb/academic-recognition-of-foreign-higher-education-qualifications/>. Positive academic recognition is obligatory **before the enrollment** in the Programme. At enrollment, students have to have a residence permit in the Republic of Croatia and regulated health insurance policy within the Croatian healthcare system.

OTHER CONDITIONS

1. Before admission, the School of Medicine will organize an interview with the candidates.
2. The date of the interview and enrollment of candidates into the PhD programme taught in English shall be determined subsequently.
3. Applications are to be sent on prescribed forms available at the PhD programme's web site. Incomplete applications or those not complying with the instructions shall not be taken into consideration.
4. It is recommended to enclose copies of papers and congress abstracts along with the confirmation that the congress is subject to peer review.
5. It is recommended to enclose other evidence guaranteeing the success of the compilation of the PhD thesis.

TUITION FEE - 4,000.00 euro per academic year (two semesters). The tuition fee is to be paid in full prior to enrollment.

DEADLINE FOR THE SUBMISSION OF APPLICATIONS: 16 June 2023

All applications should be sent to the following address:

**University of Zagreb
School of Medicine
Office for Postgraduate Studies
Šalata 3
10000 Zagreb
CROATIA**

The **SELECTION** of the candidates shall be performed according to criteria set by the Council of the School of Medicine (according to criteria for credit assignment set in the application form linked below).

Prescribed forms can be downloaded from this page as seen below.
