

# 10<sup>th</sup> Regional Biophysics Conference & 15<sup>th</sup> International Summer School of Biophysics 26-30 Aug 2024, Split, Croatia

[rbc2024.biofizika.hr](http://rbc2024.biofizika.hr)

## Topics

Molecular biophysics; Bionterfaces, and bioinspired materials;  
Membranes and membrane proteins: structure, function, and dynamics;  
Biophysics of viruses; Cell biophysics and nanomechanics;  
Neurobiophysics; Drug delivery; Advanced imaging and spectroscopic techniques;  
Computational methods and machine learning

Organized by the

Endorsed by the
